DISTRICT A-5 GOVERNOR'S MESSAGE

LIONS ARE A BEACON OF HOPE

Welcome to the Lions Year 2010-2011. The International Theme for this year is the BEACON OF HOPE. A Light House shines out a beam of light to warn ships of dangers and guides them to Safety. Every Club and every Lion is a Beacon of Hope to those less fortunate than ourselves. We have food programs, medical programs, sight programs and Disaster Relief grants to name a few. Don't forget the Christmas Telethons that supply children with gifts, Parks & Playgrounds that we build/contribute to and Sports programs we support. We ARE a Beacon of Hope to the citizens and the communities we live in

It is the belief of our International President, Sid Scruggs III, that extra service to our community is the key to increasing membership. The services he is referring are the events that give back to the people, not the fundraising events. [e.g. Fishing Tournament for Special Needs children, Golfing Tournament for the Blind, Free Breakfast for seniors on Senior's Day, Chistmas Dinner for the lonely/needy on Christmas Day. Etc.] If the Lions are seen organzing and performing events like these, other people would want to help and become members. This is the time for our Lions Clubs to get back to the Basics, making sure the needs of our communities are met. The Foundations and Organizations [LCIF-LFC etc.] at the International, Multiple District and District Levels still need our support but your community comes first.

This year I am encouraging you to rededicate yourself to Lionism, to get acquainted with Members from other Clubs in your Zone, Region and District and to go out on visitations to other Clubs. This Interaction will be a source of support and help for the Clubs that are struggling. A helpful suggestion or a little encouragement may be all they need.

The past year was the best year we have had in terms of Membership. The District lost (1) Club and has a -12 in Membership [Lowest in 8 Years]. If we keep up with our efforts in Membership we can show a plus in the Membership column. The MERL Team is currently working on 2 communities to re-establish Lions Clubs that previously folded. When we have these 2 clubs back, we will be on the road to rebuilding our strong District.

I want to thank all the dedicated Lions who have stepped up as Cabinet Members and Committee Chairs to assist in the Leadership of the District. I would also like to thank all the Lions, Lioness and Leos who work so hard in making life better for the less fortunate.

Remember: People need our support - Lions need to have FUN providing it!

YIL
